

## JOB VACANCY ANNOUNCEMENT

Fresno American Indian Health Project is seeking a qualified and committed team member for the following position:

### Community Garden Coordinator

Title: Community Garden Coordinator  
Department: Behavioral Health  
Supervised by: Director of Behavioral Health Services  
Supervises: N/A  
Travel Required: Local travel weekly  
Type: Part-time, 20 hours weekly, \$ 17.00 per hour, Non-Exempt

The Community Garden Coordinator position will be primarily responsible for organizing the schedule of events, activities, workshops, maintenance, and volunteerism for the Native community garden in Fresno (located at the Fresno Discovery Center). This project is a community collaborative effort and therefore it is crucial that the Coordinator is able to communicate effectively and help maintain strong partnerships between all of the agencies and community groups who are stakeholders of the project. Therefore, maintaining positive working relationships and effective communication is critical. The Coordinator must also conduct on-going outreach efforts to the American Indian and Alaska Native community to ensure the garden is regularly utilized and maintained in the spirit of the purpose it was created – as a healing gathering location for wellness and cultural sharing. The Coordinator is responsible for participating in ongoing collaboration with all FAIHP departments in order to provide an integrated service delivery model. As applicable, the Coordinator may also refer clients to available agency resources and provide linkage to potential support identified that may involve addressing social, economic, academic, familial, cultural, medical, and other issues that impact the clients' functioning and wellbeing. The Coordinator is also responsible for completing all methods for data collection and monthly reporting in order measure outcomes of services provided. This position is part of a multi-disciplinary team and the majority of services are provided in the field.
