Registration Packet

#### **Camp Mission**

The mission of the Robert Sundance Summer Camp (RSSC) is to provide an outdoor experience that enhances the growth and well-being of American Indian youth, in a manner that is respectful to cultural values and focuses on personal development and education.

#### Benefits of camp

The opportunity to attend a free, residential camp that is culturally-based, is a unique experience for our American Indian families. For many youth, camp is their first time outside of an urban environment, and many have commented that the opportunity to explore the great outdoors has encouraged them to think more broadly about their health and how to care for their environment. For some youth, it has triggered a conversation with their parents or community elders about their identity as American Indian youth. Additionally, more and more studies are showing the mental health benefits of outdoor adventure.

However, the primary benefit for summer camp, deals with the health and wellness of our campers. The camp has on staff youth development specialists, medical and mental health professionals, and an experienced staff that has worked with children for many years. The required health examination within the registration process is intended to ensure that our youth receive at least 1 health examination every year. During the examination we can offer information on various health topics, screen for issues that may stunt learning like vision issues that can hamper individual achievement, and prepare a treatment plan for any health issues uncovered.

#### 2019 Camp Logo

The logo of our camp program changes every year and reflects the rich traditions and history of our program. Every year, a new piece is added to reflect a special moment from the previous year. For the 2019 logo we added a tipi at the center of the graphic. This addition reflects the ceremonial blessing conducted at camp for all our campers and all their families.

Blessing Ceremony inside the tipi

#### RECOMMENDED ITEMS TO BRINGS

PLEASE LABEL ALL ITEMS. This includes clothing, towels, sleeping bags, blankets, etc. We are not responsible for lost or stolen items. Please provide a laundry bag for your child to keep dirty

ciotnes.

### **CAMP INFORMATION SHEET**

**What:** Situated in southern San Diego County, the annual Robert Sundance Summer Camp engages

American Indian youth in recreational, cultural, and educational activities over the course of one week. Camp activities include arts/crafts, field trips, fishing, hiking, swimming, outdoor recreation and organized sports. Fresno American Indian Health Project partners with United American Indian Involvement to bring American Indian youth from various areas to connect and bond in this

experience.

Who: American Indian Youth (ages 5-12), living in the Fresno area and registered with Fresno American

Indian Health Project, and the Fresno American Indian Clubhouse. A limited number of slots are

reserved for teens (13-17) to participate in our Counselors in Training Program.

When: Camp I July 8 (Monday morning) through July 13 (Saturday morning)

Camp II July 22 (Monday morning) through July 27 (Saturday morning)

Where: Campsite is located at Camp Oliver, 8761 Riverside Drive, Descanso CA 91916

*How:* If you need to contact us at camp, please contact:

Camp Director, Ramon Enriquez at (213) 305-3245, or by email at: renriquez@uaii.org.

FAIHP Director of Youth services, Rachel Ramirez at (559) 930-8497

*More Info:* Contact the Fresno American Indian Health Project, 1551 E. Shaw Ave. Ste. 139, Fresno, CA

93710 or call Clubhouse at 559-803-6977.

#### REGISTRATION PROCESS

- 1. **ELIGIBILITY**: Register or update contact information with the Fresno American Indian Clubhouse AND register or update FAIHP Client Registration Packet
- **2. REGISTRATION**: Fill-out this Camp Registration packet and return it to the Fresno American Indian Health Project.
- 3. **ORIENTATION**: Parents are encouraged to attend the Camp Orientation to schedule health exams with the nurse and to have their questions answered regarding camp on <u>Tuesday</u>, <u>June 25</u>, <u>5 6 p.m</u> at Clubhouse (1551 E. Shaw Ave. Ste. 121)
- **4. HEALTH EXAM**: Each camper <u>must</u> get a Health Examination either at the Fresno American Indian Health Project or through their primary care provider. Contact the FAIHP Public Health Nurse to set an appointment at FAIHP by calling (559) 320-0490. Physical Examinations may be completed up to 90 days prior to camp. No health examination will be done the morning of camp.
- 5. **CONFIRMATION**: Turn in all camp paperwork by **June 28, 2019**
- \* Camp fills up quick, and seats for camp can not be guaranteed until all paperwork is completed and turned in. Applications received after camp has filled, will be put on a wait list.
- ➤ Please have your youth at the FAIHP by 7:30 AM on Monday for camper check-in. Parents must be present until all the camper's baggage is checked and their health screening is completed. Once fully processed, parents may elect to leave.
- Please plan to pick-up your camper at FAIHP at approximately 2:00 PM on their return date.

#### PERMISSION TO TREAT

I hereby give permission to the medical personnel selected by the camp director to provide routine health care; to administer medications; to order X-rays, routine tests, treatment; to release any records necessary for insurance purposes; and to provide or arrange necessary related transportation for my child. In the event I cannot be reached in an emergency, I hereby give permission to the physician selected by the camp director to secure and administer treatment, including hospitalization, for my child.

Name of Youth	Date	
Name of Parent/Guardian	Signature of Parent/Guardian	
<b>Permission to Admin</b>	ster Over-the-Counter Medications	
I (parent) hereby give permission to	nedical personnel selected by the camp director to administer th	ne following over-
the-counter medications if it is deem	ed necessary. Dosages will be administered according to direct	ions on the bottle

unless a physician directs otherwise.

Headache Tylenol® Decongestant
Upset Stomach Pepto Bismol® Kaopectate®
Diarrhea Immodium AD® Cough syrup/drops

Menstrual Cramps Ibuprophen®

Poison Ivy Calamine Lotion or CortAid®

Name of Parent/Guardian Signature of Parent/Guardian

#### Parental Notification of Medical Emergencies or Treatment

Parents will be contacted by camp personnel in the event that medical treatment is needed. This may include a medical treatment for routine cuts, bumps, or illness, and for more serious emergencies that may require an evaluation at a medical facility. For any injury to the spine or head, it is the camp's policy to have all campers be evaluated at the local hospital. For trips to the Emergency Room, parents will be contacted by camp staff before admittance, and following discharge to update parents on the child's condition and any follow up treatment or medication prescribed.

#### **CAMPER MEDICATION**

Child's medication will be administered as prescribed. All medication must be in original packaging/bottle with label stating Physician's name and the child's name. Any over the counter medication must be in original packaging and not expired.

Medication	Dosage	When	Purpose

#### **DOCTOR RELEASE**

Dear Doctor,

The child that you are seeing for a health screen has applied to attend our youth Summer Camp. United American Indian Involvement, Inc. utilizes Summer Camp to provide health screens and assure that there are no existing health concerns that would limit the youth's participation and/or to coordinate access to necessary care, if so determined. The PHN (Public Health Nursing) Staff for UAII conduct a health assessment similar to a school physical. The assessment also includes an eye exam to see if they need further evaluation for glasses and if the BMI calculation comes out to be greater than 24, we conduct a random blood glucose with a finger stick or if there is family history of diabetes, a hemoglobin A1C also with a finger stick to determine possible follow up for diabetes. Also included in the assessment is a head lice screening.

The Summer Camp will be held in San Diego, CA, where there will be physical activities including hiking, swimming, and climbing. We are asking for your verification of "no limitations" and release to participate in camp activities.

#### Parent or Guardian's Permission & Release

Middle Name

First Name

For the health and well-being of your child and all those who attend the Summer Camp, a brief health screening is required the morning your child leaves for Summer Camp. All youth will need to be screened by a health care professional at FAIHP. The health screen includes a review of the full health examination and a brief health screening, review of current medications, head lice inspection, and a check of immunization status. Following the health screen, you will be notified if your child is unable to fully participate in Summer Camp or of any limitations we feel would be appropriate due to your child's health. Failure to bring all medications described in the Health History may prevent your child from attending camp.
