Travel Required: No

Salary Range: \$70,000 Annual (D.O.E)

Type: Full-time; 40 hours (Monday– Friday 9 a.m. -6 p.m.)

Fresno American Indian Health Project (FAIHP) is an American Indian non-profit organization and is dedicated to improving the medical and emotional wellbeing of American Indians/Alaskan Native and all residents of Fresno County. FAIHP has been in the Fresno community since 2012 providing outpatient therapy services, case management, nutrition services, wellness education, cultural and traditional teaching, and transportation services. FAIHP has opened a new primary care facility in late 2020.

FAIHP is looking for a Outpatient Therapist to join our Team and be a part of our Vision to improve the health and wellbeing of our community and implement a primary care program which is integrated with FAIHP's existing Behavioral Health program and ancillary services. The project will build upon an integrated, coordinated, and comprehensive system of care for our families. We offer a comprehensive compensation package, great benefits, retirement, malpractice insurance, continuing education, loan repayment and a supportive team.

FAIHP qualifies for a federal loan assistance repayment program as part of the National Health Service Corp. More information: <https://nhsc.hrsa.gov/loan-repayment/nhsc-loan-repayment-program.html> MANDATORY MINIMUM REQUIREMENTS:

- Current valid registration as an Associate Clinical Social Worker, licensed as LMFT or LCSW by the BBS and/or licensed by Board of Psychology.
- Experience: Minimum one-year clinical experience with children and families.
- Demonstrable ability to communicate effectively and professionally both verbally and in clinical documentation.
- Demonstrable ability or willingness to work with culturally diverse populations, youth, and professionals.
- If hired, upon completion of supervised BBS hours, candidate must obtain state licensure within six (6) months.
- If hired, candidate has one (1) year to complete supervised hours and obtain state licensure
