

Care Integration Coordinator

Our Purpose & Vision: We promote a culture of wellness and enhance the quality of life for all Tribal Nations and Communities. We embrace and empower people from all nations and communities. We provide culturally-based health and wellness services supporting the mental, emotional, physical, and spiritual needs of our communities.

Summary: Join us as a Care Integration Coordinator at the Fresno American Indian Health Project! If you're passionate about creating a welcoming environment for the rural community and collaborative services, we want you on our team. In this role, you'll support various stakeholders, ensuring positive and productive interactions. Operating independently, you'll report to the Director of Care Integration, aiding other departments as needed. Your commitment to accuracy and consistency will be key to our success. Apply now for a dynamic role with a meaningful impact!
